A MESSAGE FROM OUR CHAMBER PRESIDENT

As you are probably aware, on Friday Governor Pritzker issued a "shelter in place" order that becomes effective at 5 pm Saturday, March 21st and will run until April 7th. The shelter in place will still allow people to go to the grocery store, gas stations, pharmacies, hardware stores and access other essential services. All Illinois roads and highways will remain open as well. The order also allows our restaurants & fast food establishments to continue to provide carryout/drive up deliveries and I urge you to support those that are remaining open.

It is important to stay informed, be prepared and know that the actions taken on federal, state and local levels are to help flatten the curve with the intent of slowing the spread of this virus.

We will continue to post information on the Mount Carroll Chamber Facebook page. If you aren't already following our page, I encourage you to do so.

Please know that our chamber stands behind you during these unprecedented times and we have confidence that Mount Carroll will come out stronger when this crisis passes.

Sincerely,

Jeff Elliott
Mount Carroll Chamber President
