MOUNT CARROLL, IL

Hello Mount Carroll Chamber Members,

My involvement in the Mount Carroll community has blessed my life with new friends and the chance to experience many new things. As President of the Chamber, I've had the opportunity to be part of a team that serves to promote Mount Carroll in a positive light.

As we approach the new fiscal year and elections of the Executive Board members and officers, I feel it's time to step down as President. My life has taken a different path from when I began my tenure and is no longer providing me the time for the commitment it takes to actively be a part of the Executive Board.

I encourage all Chamber Members to consider being part of the Executive Board and possibly serving in a position as an officer. It is a great experience and chance to make a difference with a committed group of people!

I appreciate the opportunity of getting to know so many members of the community and thank you all for your support of the Chamber.

God Bless!

Will Mueller
